 - Our focus throughout the year was on badgework, and combining this with as many outdoor experiences as possible, and of course, lots of fun!
- Badges completed included: Space, Navigator, Disability Awareness, Experiment and Health and Fitness. Hikes Way and Nights Away badges were also gained by those who attended our camps during the year.

It was a great night, despite the rain, supported by both Beavers and Cubs. All children successfully completed the course, raised an amazing amount of money for Beaver and Cub funds and had a lot of fun along the way.
